Stevenson Bridge Inspections Saturday

CHICAGO – The Illinois Department of Transportation (IDOT) announced that a routine bridge inspection of Damen Avenue over the Stevenson Expressway (Interstate 55) is scheduled, weather permitting, the morning of Saturday, July 18.

In order to complete the inspection, the expressway's two left lanes in each direction will be closed in a moving operation between 6 and 8 a.m. The closures will alternate between the inbound and outbound directions to allow traffic to clear. One lane will be open at all times

From 8 to 11 a.m., the left lane only will be closed, also in a moving operation. This closure also will alternate from the inbound to outbound directions. Two lanes will remain open at all times.

All lanes will be reopened by 11 a.m.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.

Find details on other construction projects in IDOT's District 1 at <http://goo.gl/upgvZu>. Updates on the impacts to traffic are available at www.travelmidwest.com.
